

United in You

Verse

**This is our shout
In love and grace You came
A sacrifice You made for us
We are called redeemed**

Verse 2

**Were living out
This call we can't deny
To lead the broken heart
And glorify Your name
Your hope in us
Is changing all we are
Our lives to lift You up above
You are all we need**

Chorus

**Your love has defeated
We are united
We will run
In freedom believing
We are united
We are united in You**

Bridge

**With all You've done in our lives
Hearts as one unified
We can't be shaken
We can't be shaken**
